My Dear Father & Mother.

Your letter was
received last Wednesday.

I have commenced
studying for exams. Am
revising a History of the
United States at present.

There is a great deal of
excitement here over the
crises with Spain. All the
boys are in discussion and
if war is declared they
will undoubtedly be company
raised in the school.

The papers are eagerly scanned
and the coming war is
the great topic of conversation

Many of the boys belong to the
National Guard and would
have to go away.

What do you think of the
prospects for a scrap?

Flood in the river getting on.
I was rather surprised to
see what Will Hammer
thought of me. I know he
liked me pretty well but
hardly thought his opinion
was so excited.

Will, I must go to work.
Excuse paper and pencil. I
have no other. Must go and
buy a stamp.

Your loving son
Jimmie Edwards
